SAFE. SIMPLE. SMART.

- **ALLOWS** pipe inspectors large, quick and safe access for accurate and more efficient readings
- **NO FASTENERS** to undo | No metal to cut | Inspectors can access pipe using one hand
- **HIGHLY** visible
- **EASY** to install | Saves time
- **MITIGATES** water from infiltrating the insulation system which can cause CUI
- **INTEGRITY Plugz™** are re-enterable, re-usable and aesthetically pleasing

SAFETY IMPACT

Helping you Become a Safer Employer

- **INTEGRITY PLUGZ™** reduce the risk of failures
- **INTEGRITY PLUGZ™** eliminate the sharp edges on metal jacketing by utilizing a safe edge trim on the edges of the opening
- **INTEGRITY PLUGZ™** ensure safe entry for any inspection required

CONSIDER.

Do your inspectors have safe and quick access to your piping systems?

Is safety important to you, your customers and your employees?

Consider using Integrity Plugz™ and see the difference they can make.
